// EXPLICANDO...

Pergunta usada no final da frase para confirmar uma informação
 (“certo?”, “né?”)

AUXILIARY + SUBJECT?

(AUXILIARY + NOT) + SUBJECT?

Há três passos para formar a Question Tag.

1. Achar o sujeito da oração → Colocar o sujeito em forma de Subjective Pronoun no final (I, You, He, She, It, We, They)
2. Achar o Tempo Verbal → Colocar o verbo auxiliar antes do Subjective Pronoun
3. Observar a estrutura da oração
Se a Oração for Negativa → Question Tag sem Not
Se a Oração for Afirmativa → Question Tag com Not (sempre na forma abreviada)
